USA RISK PLACEMENT APPOINTED BY DALLAS
NATIONAL INSURANCE - DNI

USA Risk Placement announced today that it is now appointed by Dallas National Insurance. USA Risk Placement is based in Frisco, Texas and has offices and partners across the United States. USA Risk Placement specializes in insuring hard to insure Workers' Compensation class codes in most states. USA Risk Placement also provides Pay-As-You-Go options, immediate certificates of insurance for existing clients and policies that cover most states in one bundle. The insurance firm also has underwriters on staff to help agents and brokers with all their submissions.

"USA Risk Placement provides brokers and agents a market to insure their current client book with the highest quality insurance for hard to insure high risk Workers' Compensation class codes at the best prices. We also do direct insurance sales but we primarily service large insurance agents and insurance brokers", said Rodney Vaughn founder of USA Risk Placement, a division of Your Market Source, LLC. said today. "We help agents and brokers get the proper documentation together to submit their quotes right the first time. We also have many important contacts withing the nation's largest insurance carriers that help smooth out many issues that can cause a major carrier to not accept the insurance risk", added Mr. Vaughn.

The leadership team of USA Risk Placement has over fifty years of combined experience and many contacts across the insurance industry.

"We keep track of all the Workers' Compensation Insurance in all fifty states, so you don't have to", said Randy White, another one of the "brain trust" at USA Risk Placement. "If you're an agent and you have clients that are hard to insure and hard to please, when you tell them how much they will have to pay in insurance premium, give us a try. We'll help you keep your clients happy, put together a program that they can afford, and keep your commissions rolling in uninterrupted", added Mr. White.

USA Risk Placement not only appointed by Dallas National Insurance DNI but they also do business through their partners with Companion Property and Casualty Insurance Company and Companion Commercial Insurance Company and many others.
